

Taste of Carroll 2021 Presents  
**COMMUNITY CUISINE  
 PASSPORT BOOK**

Benefiting Carroll Hospice

**Vendors**

For more than 20 years, Taste of Carroll has been the signature fundraising event for Carroll Hospice. The funds raised support hospice care in the Carroll County community and beyond. Generally, community members come together for one night to taste, sip and socialize while soaking up the very best of Carroll County and showing their support for the hospice’s “celebration of life” mission.

Each year is a greater success than the last due to generous vendors and sponsors who help make the event possible. This year, we are showing our support and appreciation for our local restaurants, breweries, wineries, and more by bringing the loyal supporters of Carroll Hospice into your businesses with our exclusive **Community Cuisine Passport Book**.

As a vendor, you will have the opportunity to place an ad and a special offer certificate in our **Community Cuisine Passport Book**—heightening the culinary experience for each and every “traveler,” and bringing them right to your front door from April 26, 2021 until April 25, 2022! Vendor participation is completely **free**, the only cost to you is your unique offering.

The support of our culinary community has always meant the world to us. Now we can support you and your businesses as you help us celebrate making memories and honoring precious life moments through Carroll Hospice.

**Advertising & Certificate Specifications:**
